

Multi C-air

Multi user rise recliner
adaptable for changing
conditions and multiple
users.

Multi C-air

The success of the Multi C-air lies in its complete adaptability. This rise recliner puts the healthcare team, in the home or the ward, in ultimate control, providing a full range of options to tailor the chair precisely for each individual's comfort and care.

Key features at a glance:

- Choice of interchangeable back cushions
- Choice of interchangeable pressure management seat cushions
- Choice of rise and recline mechanisms with the option of VAL technology
- Seat depth adjustment
- Seat height adjustment
- Seat and leg rest generously padded with memory foam
- Heavy duty glides built-in as standard
- Simple to use handset
- Available in a wide range of fabrics.

Additional options:

- Handset loop on arm
- Full length arm covers
- Replacement chaise cover and memory foam
- Additional safety features
- Range of headrests.

“The Multi C-air with a choice of dual and single tilt in space mechanisms combined with interchangeable seat and back cushion options enables the chair to be adapted to a user’s changing conditions or for multiple users increasing the longevity of the chair.”
