

REHASENSE

# SPACE CF

SUPER LIGHTWEIGHT CARBON ROLLATOR

The elegant **Space CF** has a special carbon profile ensuring a steady but extraordinary light frame. A unique design of the Rehasense line of lightweight rollators. One of the easiest to turn carbon rollators in the 150 kg users category.

# SPACE CF

## SUPER LIGHTWEIGHT CARBON ROLLATOR

REHASENSE

### FOLDABLE

The **Space CF** folds easily and stays that way with a simple locking system that doubles up as an ergonomically shaped carrying handle.

### STEADY AND DURABLE

The frame and seat are tested and approved on users with a maximum weight of 150 kg. Light and reliable brakes act on the TPE covered unbreakable wheels. The optimal and rigid design of the frame ensures the best possible usage.

### Lightness - turning circle - steadiness

### PRACTICAL

It has a practical removable textile shopping bag.

### COMFORTABLE

Height adjustable push handles with ergonomic hand grips. Hand brakes with parking brake. Very smooth running and can be used with very little force.

### SIZES

**Space CF** is available in Large 62 cm seat height in black colour with carbon fibre pattern.

Smooth adjustable handle height and lockable handbrakes

Maintenance free brakes and TPE-covered unbreakable wheels

Unique aluminium frame profile ensuring the lightest construction though durability up to 150 kg.

Modern design premium frame for lifelong use.

Easy to lock and unlock the rollator with the A-lock system which doubles up as an ergonomic shaped carrying handle. It folds easily by pulling the strap on the seat. It stands firmly on its wheels taking up little space.

Practical easy-to-remove shopping bag with special designed easy-to-go clips.
